# Invitation

Dear friends and colleagues,

Season's Greetings. We are all aware that obesity is a global menace to health and India has 2<sup>nd</sup> highest number of obese population in the world. Hence let us all join hands together to fight against this public health crisis, with an aim to reduce the health hazards.

We all members of organizing committee have immense pleasure in inviting you to attend and participate in the 13<sup>th</sup> National Obesity Conference named '**AIAAROCON2018**' a **state of art conference**. This conference is scheduled on September 7<sup>th</sup>-9<sup>th</sup>, 2018 at Aurangabad Maharashtra. '**Sharing of knowledge and expanding the vision**' is the theme of conference.

The conference is designed to facilitate the sharing of knowledge and experience of august members. Presence of renowned faculties across the globe shall add fragrance to it. It will also provide opportunities for delegates and students to interactively present their work, listen to newer concepts and exchange their views. Hopefully this conference will definitely prove to be the benchmark to titrate guidelines to tackle the obesity from Paediatrics to Geriatrics.

In addition we have planned **workshop cum certificate course** with the theme '**Basics to Clinical Practice**'. We are sure you will leave better educated and more invigorated and return home in full enthusiasm with a **owe to ignite against obesity**.

You will have the double bonus opportunity of enriched scientific sessions with good sight seeing while in Aurangabad. We look forward to welcome you in Aurangabad!
